The Dimmer VIEW

By MAX GOODWIN

I'm certain the plans for a successful future for the Padres ball park in Mission Valley are more definite than were plans for the groundbreaking and press lunch last Wednesday.

Most of the press in the county got personal invitations signed by Mr. James F. Mulvaney, president of the Padres and a flock of drudges of newspapers, radio and television was on hand to record the event for posterity.

Mr. Albert Schuss, who advises listeners that the status of the current baseball game is, and Mr. Raymond Garcia, who lists himself as a publicist by virtue of writing blurbs about Tijuana bullfights and jal alia, were on hand to guide the activities of the celebrants and to aid the press.

Mr. Schuss and Mr. Garcia told me, and presumably some of the other members of the press that no ceremony would be held owing to the fact bulldozers had already started ground leveling. As I started away I ran into Jack Murphy, the erudite sports editor of the San Diego Union and gave him the scoop. He muttered something that sounded like "they're nuts" and we headed back for the field where approximately 100 persons had gathered. Soon the place was popping with celebrities. Guys like Leslie O'Connor, prexy of the PCL; D. D. Williams, SD councilman; Ralph Kiner, general manager of the Padres, Bob Elliott, field manager of the same, and, of course, James F. Mulvaney, the team's president. Dignitaries were posturing all over the place in such hackneyed

Service Clubs Underwrite "Ten Commandments" Party For Uniform Drive

Proceeds To Kick Off Drive For Band Uniforms For New Mt. Miguel School

Service clubs in the Lemon Grove-Spring Valley area will jointly underwrite the showing of the movie epic, "The Ten Commandments" Friday evening March 22nd at the California Theater in San Diego.

Announcement was made this week by Dr. S. C. Brumbaugh, president of the Lemon Grove Kiwanis Club who said that proceeds from the project will be used to buy uniforms for band members of Mt. Miguel High School which is scheduled to open on Sweetwater Road in September.

Dr. Harry Sorteburg, president of the Lemon Grove Rotary Club said his club gives energetic cooperation to the project and Roy Erwin, who presides over the Lions Club has already set up a committee to assist. The Lemon Grove Woman's Club Juniors have already scheduled in participation in the event.

Lawrence Christianson, head of the music department of the new school said that the Band Parents Club and some 80 members of the Mt. Miguel band and orchestra would have an active part in distributing and selling

Lemon Grove Generous In Scout Drive

San Diego County Council, Boy Scouts of America executives have written a general letter of congratulations and appreciation to all in the Lemon Grove area who had anything to do with the Scout fund-raising activities, recently concluded.

Thirty-one campaigns from this area were at the "kick-off" of the solicitation drive and turned in pledges and contributions totaling \$671.00.

The final report meeting revealed a total "bag" of 80 sustaining memberships amounting to \$1,097.

HID Joins Water Saving Yelp For Help

Helix Irrigation District apparently has enough water in sight to work successfully through the current year, says general manager Byron Miller.

What he and district directors are worried about is the water prospect for 1958, which at the moment is gloomy unless plenty of rain shows up.

With an eye on 1958, the directors decided to go along with the current "Don't Waste Water" campaign, and to that end came forward with financial help for a water saving, promotional campaign.

Miller said that the local campaign will emphasize the district's water supply and use problems and will urge consumers to avoid waste during the approaching dry period this summer and fall.

The directors appropriated \$2,000 to conduct the campaign. Last week they appropriated \$1,147.50 to support the "Don't Waste Water" committee's program. The local program will include direct mail instructions, speaking programs and conservation programs in the elementary and high schools of the district.

L. G. Boosters Breathe Life

There's a new organization in Lemon Grove and it was formed to do what the name indicates. It's the Lemon Grove Boosters Association and is really the merchants division of the chamber of commerce with some added zizz.

Tuesday, at its noon meeting, the association elected Ted Skelley its chairman. He will serve for a year. Other officers include Mrs. Jerry Howell, treasurer and Jerry Mather, secretary.

Two More Divisions May Get Otay Water Use Allocations

Two more divisions may be allotted water from The Otay Water District Ralph E. Barger, chairman of the board said this week.

Two weeks ago Fred Hansen, local investor and property owner announced the formation of the La Presa County Water District within the Otay District. La Presa would call upon a share approximately 770 acre feet of water allocated to Otay and would use it to develop 2,500 acres of land held primarily by seven owners, according to Hansen. Hansen owns 1,200 of the acres. Otay covers 60,000 acres sweeping down Sweetwater Valley towards Chula Vista. The two additional divisions about La Presa to the northeast.

Barger said it would be at least 18 months before any of the three divisions could draw water from the spigot. The other divisions covers Steele Canyon and Jamacha Valley, and the area in which Singing Hills Country Club is located. La Presa is generally east of Sweetwater Road from the Jamacha Road Sweetwater Road intersection.

Development then must be paced with the increased entitlement and supply which would come with second aqueduct. Barger estimated two years as the period required for the second barrel to bring additional water into made off that water being presently stockpiled for a few months before the aqueduct flows.

Use of Otay water by two additional divisions will not materially affect the La Presa District, Barger said. He also said that his board did give unanimous consent to the La Presa District to use Otay entitlement but that the board did not guarantee delivery. The Otay board is comprised of R. E. Barger, Joe Eaton, P. Newhand, J. Schutte and F. Roll.

P-TA Honors Mr. Miguel High Principal

HONORED—Melvin Grant, who will be principal when Mt. Miguel High School opens this fall, was recipient of the Helix High School P-TA Life Membership award last week for "service to young people."

Presentation is made by Keiman Aiken, committee chairman of the nominating group. He cited Grant's work with Boy Scouts, Camp Fire Girls, church youth groups and church counseling activities "over and above" his assigned duties.

School Board To Hear C.T.A. Executive At Downtown Meeting

The Lemon Grove School Board will move to the junior high school auditorium for the regular monthly meeting Monday. It will also start one hour earlier, and will break the habit of finishing at midnight.

At 6:30 consideration will be given the employment of a building inspector for the new Palm Avenue School and will hear a program report on the application for the new school building permit. At the same time the members will receive a progress report on the acquisition of the Morse property.

Other items on the agenda include a report of progress being made by S. K. Solleder, assistant superintendent, who is now on a recruitment tour for teachers. Since this is the first and regular

HI-12 VEEP TO SPEAK HERE

W. L. "Hoppy" Hopperstead, international vice president of High Twelve Clubs, is guest speaker at this week's meeting at the Mt. Helix HI-12 Club which meets Thursday noon at Michael's.

Needle Given To 4,000 In Grove Polio Project

K.C. Jubilee Attracts 350

More than 350 persons took part in the Diamond Jubilee Banquet of the San Miguel Council of Knights of Columbus Sunday at Club El Naderero in El Cajon.

Featured speaker was Bishop Richard Ackerman, auxiliary to Bishop Buddy, who reviewed seventy-five years of growth of the Knights organization.

"Knights of Columbus, as a lay organization of the Catholic Church has had a tremendous influence on bringing people to church and Christ but that influence is being challenged every day," he said. "Knights everywhere are meeting that challenge," he reported.

Toastmaster for the event was Dr. Peter Shea, Lemon Grove dentist and guests of honor included Msgr. Wackerman and Richard Graff, 2965 Buena Vista, an Eagle Scout of St. John of the Cross Church Scout Troop.

Lions Hear Helix Trio Speechmakers

The Lemon Grove Lions Club will hear three Helix students speak Thursday night in the first level of the Lions International 20th annual student speakers contest.

Meeting will be held at Hayloft in Encanto and the contestants will not be announced until the evening of the meeting.

Augie Pfeiffer, member of the Pacific Telephone Co. commercial sales department, is chairman of the event according to Roy Erwin, president of the club.

Three judges are Joseph Hulet, telco plant engineer; G. Smithers, telco personnel department and Max Goodwin, local editor.

Contest will end at the Lions International convention in San Francisco in June after competition at seven levels of Lions Club makeup. Winner will receive a \$1,500 scholarship. During the contests leading up to the grand competition winners and runners-up will receive trophies and portable typewriters valued at \$7,000. Trophies will be awarded Thursday night.

More State Money Needed, Reynolds Tells Men's Club

The Men's Club heard Paul Reynolds, business manager of the Lemon Grove School District tell of school problems involved in acquiring teachers and the need for more state financial aid.

He said that 70 percent of school income is from state aid; 5 percent is federal and the remainder from local property tax. "Even a drastic increase in local taxes would not help very much," he said. He said that an increase in minimum wages for teachers was needed to attract additional personnel needed by growing enrollment.

Program subject for this week was not announced.

Lemon Grove's polio inoculation center at junior high school brought out more persons than any one of the six centers scattered throughout the east county.

The Department of Public Health reported that 4,080 Lemon Grove persons under 40 years of age were vaccinated for a total of 18,802 persons at the six centers.

Arrangements were made by the County Health Department, local P-TA and the Junior Woman's Club, to receive shots of Salk Polio Vaccine.

Five Lemon Grove doctors and one doctor from La Mesa, assisted by the regular complement of registered nurses, practical nurses and helpers, joined the smoothly operating machine that was able to process approximately 1,500 the first hour.

The doors of the cafeteria opened and the work started at 8 a.m. and continued on through 3 in the afternoon. Ray Heiserman and Hugh Godfrey had all 18 members of Explorer Troop 309 on hand to direct traffic, run errands and whatever else was requested of them.

Indian Guides Slate Two Major Events

Two major events in the County Y Indian Guide program are scheduled for this month.

Thursday, March 14th, the 34th Annual Meeting of the SD County YMCA will be held at Plymouth Hall in Escondido at 6:45. Leo Carrillo, movie and tv star, will be guest speaker. Dinner is \$2. John A. Davis, area banker, is local chairman.

A kite flying contest among tribes of the Cheyenne Nation (Lemon Grove-Spring Valley-La Mesa-Casa de Oro) will be held Sunday March 17th, at 2 p.m. at a hill overlooking the La Mesa Airport. More than 200 entrants are expected.

'Town Council' May Stem From Chamber Meeting

Formation of a "town council" will be considered at a special meeting Friday of the Lemon Grove Chamber of Commerce, it's president W. Earl Smart said today.

The board of the chamber agreed Tuesday night, as a continuation of its study of community problems particularly in public service fields, that they will wrestle with the machinery of forming a "council" at Friday's meeting.

Other actions Tuesday included: joining with La Mesa and Spring Valley chambers to attack the traffic hazards created by access roads to the freeway; unanimously approving the increase of board members from 12 to 19, the remaining 7 to come from those who ran for the board in December; setting Friday as the date the board will go to the College-Freeway intersection to choose a site for the town sign

Stolen Lawnmower May Set Some Lad Up In Business

Deputy sheriff Ernie Sable has witnessed all kinds of crime in his career as a peace officer, but he had one last week that puzzled him no end.

George G. McGill, 1946 Ensenada street, Lemon Grove reported that a gasoline powered lawnmower had been stolen from his garage.

Nothing unusual about that, thought Sable, until he learned that the mower had been stolen in the middle of the night. Garage door had been forced, nothing else touched.

Ernie says he can't imagine any adult driving around at night stealing lawnmowers, so the culprit must be a juvenile with an eye to making a piece of change during the summer months by a spot of grass cutting.

Serial number on the mower is 8.50410, so if you see any young man using a lawnmower with that serial number, please tell Deputy Sable.

Mrs. Bert R. Cosby and her group of ladies from the Junior Woman's Club kept coffee hot and cookies available all day. The children of the volunteer workers were entertained and cared for by groups of Bluebirds, Campfire Girls and Girl Scouts.

Mr. Robert Sutton, Principal of the Lemon Grove Junior High School, was on hand all day long, and everywhere all at once, as a sort of super traffic officer with his loud speaker.

There will be enough vaccine supplied by the State to immunize only about one-third of the county population 40 years of age and under, Dr. J. B. Askew, County Health Director, said. The San Diego County Medical Society is attempting to immunize the remainder of the population in that age group by volunteering the service of physicians to inoculate groups of 50 persons or more who purchase their own vaccine. The Medical Society has also urged physicians to inoculate private patients at cost for a maximum fee of \$3.00 per injection through April 15. The fee includes the cost of the vaccine.

"All persons receiving their first inoculation last Saturday, March 2, should return to the same immunization center to obtain their second injection on Saturday, April 20," Dr. Askew said. "All records are being kept at the school where each center is in operation."

Burglars Enter Business Places On Broadway

It was a triple play in burglary Tuesday when three Lemon Grove business places were entered.

Halldip's Drug Store, The Highlander and Sprouse-Reitz 5 — 10c Store, all in the 7800 block on Broadway were broken into.

Highlander could find nothing taken but 35c had been rung up on the register. Neither of the other stores could positively report merchandise or money taken.

The points of entrance are being reinforced. Each of the shops have had a similar entry during the past few months, sheriff's men said. Arrests were made and the burglars are serving sentence for prior entries in the Highlander and the Sprouse-Reitz.

Paper Employee Charged With Mail Fraud

Raymond Spencer, one of the newer employees of this newspaper doesn't work here anymore.

Monday morning, soon after he turned in a story on a stolen lawnmower, two U. S. Post-office inspectors walked in, recited a warrant in Florida he is alleged to be fleeing, put him in cuffs and led him away. Charge is using mails to defraud. Bail was set at \$5,000.00.

He will be returned to Florida for trial unless he pleads guilty.

He was employed as a reporter since January.

Another Link In LG Freeway Opens Tuesday

The Lemon Grove Freeway between Campo and Grossmont Summit will be opened to traffic Tuesday, the State Division of Highways said this week.

The Division said that traffic will now be routed parallel to Bancroft instead by way of Palm Avenue in La Mesa.

Although no direct connection

with Highway 80 will be made with the opening of the new link, an interchange for this purpose will soon be started at Grossmont Summit.

Ralph Lukenbach, assistant engineer for the district, said that requests to officially name the road "Lemon Grove Freeway" has been rejected by the Highway Commission.

Teenagers To Launch Space Rockets

Ronald Angione, Tom Odum, and Leonard Patzer, three senior students in the Grossmont High School District, have received permission to launch their own rocket during this summer in the Imperial Valley region.

The rocket will be only a test model of a larger one which the 17-year old boys will build at a later date. The model is 8 feet long and 6 inches in diameter, and is calculated to reach an altitude of ten miles at a speed of 5300 miles per hour. The larger rocket will be 16 feet long and a foot in diameter, and is estimated to reach an altitude of 40 miles.

All three boys have been offered jobs over the summer as rocket engineers in Convair's astronautical section. After college, they hope to return to Convair for permanent jobs. Now, they use three separate laboratories in their designing and research, which are located throughout San Diego County. Cost of equipment for the laboratory and rocket has reached far past the thousand dollar bracket.

New HID Office Building Must Be Ready Sept. 1

Helix Irrigation District directors are eyeing the calendar these days with a focus on September 1. Whether or not they hold meetings in the street or in their new office building will be apparent then.

The old office went on the block last week to Lawrence, Fogg, Florer, and Smith for \$47,500. The La Mesa engineering firm is to take possession on September 1, so the new HID building will have to be ready then.

The new structure will be financed from the sale of the old office building and other district properties.

Nothing is drudgery to one who is interested and happy in the work at hand.

Pool Resources

The three were previously working themselves, but later joined together to pool their resources. All belong to the international Goddard Rocket Society. Although they complete a full school day and occasionally carry on designing and research all through the night, they still find time for dates with their girl friends!

Ronald is now completing his fourth year at Grossmont High School as a major in the science and math fields. Besides being a ham radio operator, he is also a member of the San Diego County Ridge Runners.

Leonard, who is also at Grossmont, is also a science and math

major. Like the other two, he sometimes takes his girl friend out to the rocket launchings.

Tom Odum is a senior at El Cajon High School, and like Ronald, is a ham radio operator. He is majoring in science, but likes to participate in all fields.

Ronald is the son of Mrs. Virginia Leavitt of 16792 Challenge Blvd., La Mesa; Tom is the son of Mr. and Mrs. William P. Odum of 2230 Eucalyptus Drive, El Cajon; Leonard is the son of Mr. and Mrs. Charles E. Arnold, of 121 Wells Street, El Cajon. Publicity regarding the boys' work with rockets appeared in one of the final issues of Colliers Magazine with a full page colored photo.

Novel Premiums — 3c Postage Stamps

SHE CAN USE 'EM NOW—Mrs. Jack Voorhees, 1362 Taft street, Lemon Grove, here looks mighty pleased over the new, novel premium which Mac Lewallen, Monterey Market owner is handing her as she pays for her grocery purchases. Mac is giving as a premium, for a limited time, U. S. Postage stamps, 3c for each dollar purchase. He says the customer can use that premium right now, without waiting to fill up a book or wait a long time to use them. With Mrs. Voorhees are children Brad and Gail.

Military, Vet Tax Exemption Filing Due

March 13 through 15 the San Diego County Assessor will maintain offices in the Lemon Grove Youth Center where personnel from his staff will assist veterans and members of the armed forces with exemptions to tax filing. Office will be open from 8:00 a.m. through 5:00 p.m. on those dates.

The rather complicated laws regarding the filings under the military veterans exemption laws will be explained for the asking.

Lemon Grove (Calif.) REVIEW
Page 2 March 7, 1957

Mrs. Moran New Officer of County P'masters Assn.

Mrs. Mildred Moran, postmaster at Spring Valley, was elected secretary treasurer of the San Diego County Postmasters Association last week. She succeeds Frenchy Faucher, Lemon Grove postmaster.

"Postmaster," says Mrs. Moran, "is the proper designation of the title." Ladies as well as gentlemen carry the title POSTMASTER.

The election was conducted at an association meeting in Rose Hedge Manor, William Smith of Fallbrook, who retired Jan. 31 as a postal inspector after 37 years with the Postoffice Department, was honored.

There is only one bookstore in the United States for every 100,000 persons (Denmark has one bookstore for every 7,000 Danes).

I am continually surprised at the number of persons who say to me "I didn't know you had reopened Solimine's 48 Club!"

Well, we are open again and I want all my acquaintances to know about it and come visit with me.

There are several ways I could remind our followers that we are back at our former location serving the tastiest Italian-American specialties ever prepared anywhere, but the way I decided to do it is to offer our menu's choicest items at a dramatically low price. That way we will entice the old patrons as well as the new ones.

We have always been famous for our \$3.95 NY cut and top sirloin steaks . . . so we decided to offer the choice of these two items on a complete dinner at \$2.50.

Those of you who have admired our Veal Scallopini and Chicken Solimine will be pleased that these also are again available. Shish-ke-Bab, for which we have gained nationwide fame, will be prepared and served as before.

Won't you come in and dine and chat with us as you did before? Bring your friends, —they'll find Solimine's as friendly a place as you have always done.

Sincerely,
GEORGE SOLIMINE

Final Rites Held

For Mrs. Mary Lehner

Services were held last Wednesday, February 27, in the Greenwood Mortuary, for Mrs. Mary E. Lehner, 63, of 2228 Central Ave. Spring Valley, who passed away Saturday, February 23. Cremation followed.

Mrs. Lehner, a retired motel owner, was born in Ireland and had lived in San Diego County for 27 years. During her recent illness she had been residing with her daughter, Mrs. Robert (Rosanne) Graham at the Central Ave. residence.

Besides Mrs. Graham, Mrs. Lehner leaves two other daughters; Mrs. Silva Curtis of Lemon Grove and Mrs. Teresa Harris of Glendora, Calif. She is also survived by a sister and brother.

4-H, FFA Interest In Area Spurred By New Activity

More than 30,000 4-H Club members in California are uniting in 1957 to build a better California. This is their forward move to advance the national theme of "Improving Family and Community Living." These young people belong to 1084 local 4-H Clubs and their work is supervised by 7,731 volunteer 4-H Club leaders.

A composite picture of any one of these local 4-H Clubs would reveal that:

25 members are enrolled, of whom: 10 are boys; 6 are in junior or senior high school or college; 15 are girls; 11 are first year members; 21 come from rural homes; 5 are second year members; 4 come from suburban homes; 3 are third year members; 19 are in grammar school; 6 have club experience ranging from 4 to 10 years.

Five adult leaders supervise the club, with 2 junior leaders assisting; each member in the club carries one or more home projects; 14 members carry projects relating to home making, of these 10 are in clothing, and 7 are in foods; each member takes part in 3 activities, such as judging, demonstration, recreation, safety, and health; 7 members attend summer camp.

The average age of club members is 12-1/4 years, and each member stays in club work about 2.2 years. About 76 percent of the club members complete their projects. Adult leaders number 7,731 men and women, who have volunteered their time and energies to lead the 4-H Club on the local level with the guidance and assistance of the University of California farm and home advisors.

Projects Chosen

Each year, the 4-H member chooses one or more home projects he wishes to complete. Minimum requirements are set up for the different projects, but the club member assisted by the local leader and his parents, strives to go beyond these requirements.

Any rural boy or girl finds a large choice of projects. The exact ones available in any county are determined by the farm and home advisors, local leaders, and club members. If his choice is crops, the member may select broadcast crops, vegetable crops, home beautification, nursery, fruit, sugar beets, or forestry. For livestock projects, beef, dairy, sheep, and swine usually fill this requirement. Others may have rabbit or poultry projects.

Other projects include electricity, tractor maintenance, agricultural engineering, farm management such as miscellaneous ones as entomology, bee keeping, and raising guide dogs. The most popular projects in home economics are clothing, food preparation, food preservation, and home improvement.

Purposes of National 4-H Club Week

To provide members a special occasion for evaluating past achievements and making plans for future activities on their farms, in their homes, and in their communities.

To inform the public—including parents—of the value of 4-H training.

To interest other young people in enrolling in 4-H Clubs;

To recognize the important

part played by local leaders, and to enlist more public spirited, youth-minded citizens to volunteer for this service.

Six top-ranking 4-H Club members will spend National 4-H Club Week in Washington, D. C., giving "A Report to the Nation." They will visit the White House, meet in person with members of Congress, Government officials, and other national leaders to tell about 4-H accomplishments in the past year and about plans for the current year. The three boys and three girls named as typically outstanding this year are: Annie Gutierrez, Westmoreland, Calif., and Daniel Davis, Cleveland, Tenn., for achievement; Linda Schermerhorn, Wawaka, Ind., and Earl Davis, Goldsboro, N. C., for leadership; and Patricia Venable of Jefferson, Ga., and Billy O'Brien of Afton, Tenn. for citizenship.

Doris Lusardi, 17, of the Escondido 4-H Club, and Jake Vander Stoep, 17, of the El Cajon 4-H Club, have been named San Diego County's All-Stars for 1957. The awards were made February 25. They will attend the 1957 4-H All-Star conference in Berkeley, April 14-18.

Local children (Spring Valley area) are urged to partici-

pate in 4-H Club work, as well as help is needed from the parents. Spring Valley 4-H leader is Mrs. Philip Mathewson, HO-67266. Call either Mrs. Mathewson or the University of California Agriculture Extension Service, CY-8-1161, Ext. 271.

Talent Contest in the Offing

Two district contests for 4-H members entering in public presentations and talents are scheduled on March 16. Southern area members will compete for honors at the Little Theater, El Cajon High School, 10 a.m. March 2. Northern area members will compete at the Central School Auditorium, Escondido, 10 a.m. Mar. 16.

4-H members of San Diego County have been presenting new

and improved methods of agriculture and home economics to local public gatherings since the beginning of the year. Winners selected at the District Presentation contest will compete county-wide April 20. Winners of the county contest will enter competition with Southern County 4-H members at a regional field day June 1.

Any Interest In A First Aid Class?

Mr. and Mrs. Richard Allen of Spring Valley, who have been conducting a first aid class in the Spring Valley Junior High School, will have completed their first class in two more weeks. They want to know if the people of the area are interested in having a follow-up class.

Anyone interested in such a class may get in touch with the Allens at HO-9-8747.

Woman's Club Plans
Reciprocity Tea

The Lemon Grove Woman's Club will be entertained by Mrs. Joan Mallory and son, Frank Mallory, at a Reciprocity Tea March 8, 1957 at 1:30 p.m. in the club house. Frank appears on "Tiny Town Ranch," Saturday morning.

Past Presidents will be presiding at the tea tables. They are: Mrs. H. Irving Vernier, Mrs. Geo. B. Lovaday, Mrs. Charles W. Brown, and Mrs. Hal Crow. Hostesses for the day are: Mrs. Frank S. Elridge, Mrs. L. B. Butler, Mrs. Martin Matson, Mrs. Roe P. Rogers, Mrs. Glenn Wyse, and Mrs. Anthony E. Codins.

THINGS DOIN' & BREWIN'

About Civic Center

BY DICK HENDERSON

The last meet of County Supervisors in borrowed quarters of City Council, was attended by many residents of Vista, Carlsbad and Oceanside, all deeply interested in the Tri-City Hospital District.

In October, interested citizens petitioned the Board for formation of a Hospital District in that area. Some opposition was expressed, and a map showing the opposing elements was ordered drawn, and notice given to all and sundry that the matter would be given a hearing by the Board on February 25. Hence the gathering on that date.

Those desiring to be included "out" had front row seats, and plenty of arguments. When Chairman Austin asked for hands of those desiring to be left out of the District some dozen hands were raised, but when those in favor were asked to so indicate it appeared that about 100 of those present wanted in on the district.

Chairman Austin suggested that a continuation of the hearing for two weeks might be advisable. A speaker for the District's formation, Paul Swirsky, stepped up to the mike, and said 3255 persons had signed the petition, and it was necessary to have the matter settled before May 31, when State and Federal Aid would terminate. Finally, the ultimate continuation was scheduled for this week when the Board will be "back home."

Another and larger map of the areas affected will be prepared by Bob Henrichs, Chief Engineer for the Assessor, and the electric board will be available for viewing same.

With increasing population and more babies, to say nothing of auto accidents in that area, looks like one hospital will be needed to care for the injured. Grossmont Hospital has proven a money-maker, besides being a boon to the sick and injured. More old folks need more care, too, and hospitals are scarce.

Welfare Matters

The Department submits a list of 701 cases for which it recom-

mends that cash in the amount of \$10,223.71 be expended for March 1957.

The department requests ratification of its action in expending \$122.35 to return a woman, who is blind and incapacitated by a hip injury, and her attendant, to Shawnee, Oklahoma, her place of legal residence, by train. Pullman accommodations.

Assessor Appoints Chief Deputy. Letter from Assessor states that he has appointed Mark J. Morton as Chief Deputy County Assessor, effective March 4, 1957.

Auditor Pettigo requests permission to destroy the number 4 copy of purchase orders for the fiscal years 1947-1948 through 1954-55. (Statement of County Counsel that the Board may approve destruction of the number 4 copy for the period 1947 thru Feb. 17, 1952, but may authorize destruction of later records only if they are microfilm.)

Special Districts

Letter from Department of Public Works submitting and recommending approval and execution of a proposed Third Supplementary Agreement between the City of San Diego and the Lemon Grove Sanitation District, to provide for a new connection to the City sewer to serve an area within said District in the vicinity of Madera St. (Approved by County Counsel).

Grossmont Fire District

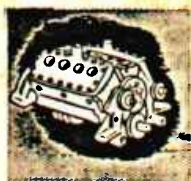

Letter from Chas. E. Burch, Jr., Counsel for Grossmont-Mt. Helix Improvement Association in regard to establishing a fire district for the purpose of legal permitting the Grossmont-Mt. Helix area to purchase and operate fire fighting facilities, requesting the Board to indicate its willingness to enter into an agreement, on behalf of the proposed fire district, with the State Forestry Department to operate and maintain its equipment; and that the Board contact the State Forestry Department to confirm its willingness to enter into said contract with the Board on behalf of said proposed fire district.

Letter from Spring Valley Fire

"Eye Spy" Made Much Easier

EVERYBODY CAN SEE NOW — with the new microprojector given to the Monterey School by the Parent-Teacher Association. The gadget projects onto the table a picture about 8 inches in diameter of whatever is under view on the slide. Grouped about the projector are students Joyce Lusk, Tommy Langpap, Gloria Harkey, Donald McDaniel, and Boots Patrick. Seated at the table is medical technician John Damata. An interested spectator in the background is sixth grade teacher R. Stammerjohn. — L.G. Camera Foto.

Protection District transmitting a petition signed by Daniel O. Doran, et al. circulated by Wayne Keniston, Jr., for the inclusion of certain contiguous territory in said district; and

report from the Assessor that the total assessed valuation of the property located within the bounds of the proposed inclusion is \$357,630 and the petition appears to be signed by owners of \$182,960 of the assessed valuation, or 51.12 percent thereof.

Department of Public Works submits 18 easements for acceptance by Spring Valley Sanitation District, transmitting and recommending approval of claim of Horace J. and Lorena M. Wilson for \$25 for easement No. 3011A-9.

Road Matters

Re acquisition of R.W. Road Survey 802, Grove Street, Lemon Grove. Grant deeds executed by Louis J. and Edith Glaser—and Erland H. and Kay H. Anderson. Payment of \$4,250 to Glaser. Payment of \$3,250 to Anderson. (County also agrees to reconstruct Anderson's driveway entrance).

Partial reconveyance executed by Security Title Insurance Co.

Requests for Hearings

Building Inspection Division, DPW, recommends against the revision of Building Code which would permit moved buildings to conform to Building code requirements prior to Dec. 15, 1954, as requested in the petition of Allen J. Riggs, Spring Valley, and 66 others, who also requested a hearing before the Board on said revision. (Reference 2457 No. 121).

A letter from Joe Mack to Mrs. Marjorie H. McWilliams, San Diego, stating that the cross-culvert opposite the Pascoe property in Lemon Grove is located in a natural swale and in the low point of the road, that it was installed at the time San Miguel Avenue was constructed, and that it appears from the terrain that it would be impossible to divert water to another location as it is now in its natural channel; and suggesting that she advise her client to construct a small ditch adjacent to his property line so that the water may be conveyed through his property without damage.

Sales Tax Collections

State Board of Equalization reports net collections of local Sales and Use Tax, less tentative cost of administration, and submits its warrant in the amount of \$21,801.93, for the period from December 3, 1956 to and including January 4, 1957.—D.H.

Dimmer View

(Continued)

poses as five men at the controls of a 'doger and four men jointly turning a shovelful of earth. Practically every one there made a two minute speech.

I put in a growl to Messrs. Schuss and Garcia about giving us the wrong information and I thought I detected a tear in their collective eyes as they rose to the occasion to explain that speechmaking had not been scheduled until minutes before. It had been originally scheduled at Kona Kai where the press, together with the dignitaries were to repair to cement relations over the festive board.

Due to circumstances beyond even the control of these worthies, no private dining room was available at Kona Kai. Therefore, they said, in a tone that sounded apologetic, speechmaking had been transferred to the field (which explained their ignorance of the groundbreaking festivities) and the luncheon meeting, reasonably enough, had been transferred to nearby Town and Country Club.

Messrs. Schuss and Garcia struck out that day. I doubt if they should even be credited with a time at bat. Scorecards later showed that some members of the press lunched at Town and Country while the celebrities lunched and quaffed at Kona Kai and the plate umpire called it an error.

SV Chamber Group Eyes Incorporation, Zoning

Billboard Tangle Shunted Aside
Org Drives For New Members

John Danner, newly installed president of the Spring Valley Chamber of Commerce, at last Monday night's meeting of the Chamber, appointed a committee to study zoning and incorporation for Spring Valley. The appointments were made after a heated discussion on the question. The committee is to report back at the next meeting.

George Robeson, past treasurer of the Chamber said citizens of the area should be careful what kind of zoning they ask for. Chet Smith, real estate agent, suggested that a committee be formed to find out if there is a way to zone for the best benefit of the Valley.

Bill Doughman, past president of the Chamber, said the County Planning Commission was asked to rezone Spring Valley as far back as 1949, but that the Valley is still mixed up as far as zoning is concerned. He said that part of his property, which is located at Bancroft and Olive Drive, is partly in Spring Valley and partly in Lemon Grove.

Legs's Delta Sig frat have copped the last seven Blue Book Ball gameships with their pet 'n pretty candidates. ... The Skyline Wesleyan Methodist Church is proud of their 70 teen members in the youth group. Hard work through good Christian efforts, plus a lot of fun combine to make this outfit tops. ... A lot of disc jockeys come and go in the San Diego area, but here to stay is the number one deejay of border town, Don Howard of KCBQ. Don can be heard Monday thru Saturday, 10 a.m. to 12 noon and from 4 to 7 p.m. He features fine music, and for those of you who want the tops in fun and entertainment in the eve's, drop into his Club Tempo on El Cajon Blvd. near College Avenue! ... Shelly Mann's quintet will provide the music at SAE's annual "Ford Frolic" on Saturday, March ninth in the Balboa Park Club. ... and according to Cash Box Mag, the two top vocal groups of '56 were the Four Lads and The Platters. (

For Cats Only! ... Latest thing on your car bumpers is "go man, go" and "crazy man, crazy." ... Many guys on the west coast are putting colored lights under the fenders of their wheels. Most of the roadsters use either blue, green or yellow lights. Some cats put lights in the holes in their Buleks. It's a real shaker when you zoom by them and get a "light blast." ... If you're buying a warm-up jacket, be cool. Many of them are sharp looking but curmymy wearing. Put your bread only in an all-wool-and-leather jacket. ... If you are in the middle of the "clothes fight" between Ivy League, Peggers and Levis, I have the solution. Join a nudist camp!—B.T.

Cautious Note

J. William Clark, buildings and grounds chairman, warned that caution must be taken regarding the question of incorporation. He said Spring Valley is too small to attempt incorporation. He pointed out that civic agencies, like a police department and a school district are very costly, and said if we tried it, we'd soon find we were nothing.

Clark further stated that should we go in with La Mesa and Lemon Grove we would be very little better off than we are now. He said we have no means of supporting the civic agencies as we have no factories or other large businesses. He pointed out the fact that Culver City, California, was in the same predicament as Spring Valley several years ago. Then Metro-Goldwyn-Mayer studios moved in and Culver City was made.

Clark said that San Diego is now at our feet and within a short time will be surrounding us. He was of the opinion that our best out is to annex to San Diego, where taxes "can't be any higher than they are at present" and "we'll have better protection all the way."

LETTERS TO THE EDITOR

Dear Editor:

I have read your editorial on the 2,500 acre La Presa water and land plan and you probably know the plan is not new and they have been in the papers before, but for some unknown reason they fell through.

These plans were first worked on four or five years ago. John Abbot was the originator of the plan, I was elected chairman of the committee and P. L. Gudmondson was secretary-treasurer. I truly hope the persons who are renewing the plans can make them work as I see them as a salvation for this end of Spring Valley. I sincerely hope proper zoning will be planned for the benefit of all property owners and all of us will be included in the planning for the district.

The persons who built La Presa Community Church could foresee this coming years ago and as late as ten years ago tried to get zoning but it fell through by just two votes.

We also had plans for incorporating the district but that was a little premature. We could see the possibilities of this wonderful little district and a few of us have faith in it yet and I know with proper planning this district can be as good as La Mesa or Lemon Grove.

So I wish to offer my help in any way that it can be used. I hope this time it will be a well planned success.

Emil S. Caldwell,
1436 Helix Street,
Spring Valley, Calif.

LG,SV Student Musicians In Music Festival

Lemon Grove and Spring Valley school musicians will participate in the 14th annual City County Instrumental Music Festival Friday and Saturday at Hoover High School Auditorium.

EASTERN STAR TO MEET

A Stated meeting of San Miguel Chapter No. 579, Order of The Eastern Star, will be held March 13, 1957, at Friendship Hall, 3140 Main St. Lemon Grove. Worthy Matron, Mrs. David Fulton presiding. Mrs. Edward Anderson chairman of the evening.

☆ A compliment a day keeps the quarrels away.

Helix Students Vie For UN Group Travel Prizes

Helix students this week were in competition for a trip to Europe sponsored by the American Association for the United Nations, according to Mrs. John Landesco, member of the local organization.

Winners in the annual examination will have answered satisfactorily a series of short-answer and discussion questions about the United Nations and this country's role in that organization.

Helix students will be competing with 50,000 high school students throughout the nation. Top prizes include the trip to Europe, or \$500.00; a trip to Mexico or \$200.00; and a \$50 and a \$25 U.S. Savings Bond. Two prizes are being awarded by the national organization. The bond prizes will be awarded first and second prize winners in city and county high schools.

POSTER CONTEST WINNER

Loren J. Hendricks, 7363 Mt. Vernon, Lemon Grove, took first honors in the poster competition held recently in preparation for the annual Coronado Arts Ball March 16 at Hotel del Coronado. The winning poster was an abstract design in blue-grey, black, and magenta, following the Ball theme, "Artists Abstract". Hendricks, a student at Coronado School of Fine Arts, placed third in last year's competition.

All Year Around Schedule Eyed For Broader School Structure Usage

"Are existing school buildings not being put to full use? Is there a shortage of class rooms?"

Some taxpayers and educators now are asking why schools can't be kept open 12 months of the year. They claim year-round schools would increase classroom space by one-third.

Other changes in educational programs are being studied.

The above four paragraphs start an article in U.S. NEWS and WORLD REPORT, issue of March 1, 1957.

The article takes up four pages of facts and figures, "gives one to think," as our friends in France say.

"All across the country, taxpayers are beginning to ask this question: Why push ahead with ambitious school-building programs when existing buildings are fully used only part of each year?"

Out of that question comes a proposal that is getting serious study. Divide the school year into four quarters. Have pupils attend school during three of the quarters, for nine months as now, but stagger the three-month vacation periods.

"The results? Increase the available classroom space by as much as one-third. Cut down the

need for new construction. Reduce operating costs by having heat and service. Open the way to year-round employment for teachers, permitting higher pay for what could be an 11-month teaching year, with only one month of vacation."

"Alliquippa, Pa., used the plan for ten years, between 1928 and 1939. Sudden rise in population had caused a need for 18 additional classrooms. Instead of building new rooms, the town adopted the four-quarter system of school usage, saved \$180,000 in construction costs.

In addition, there were annual savings of \$11,800 on debt service, \$720 on State taxes on school bonds, \$270 in fire insurance and \$15,523 on operation of the rooms."

"San Diego, Calif., has made a study of the four-quarter plan, and has it under consideration. "Parental opposition: The chief objection to the plan, according to experts who have studied it, comes from the parents.

"Educators for the most part object to the plan, because they say it would produce a nightmarish tangle for administration officials — keeping three groups running at one time, transferring credits when pupils move from school to school, opening and closing sessions four times a year.

"Dr. Walter H. Gaumnitz, specialist in secondary education at the Office of Education, is one of the few educators who believe that one or all of these new arrangements of school hours, weeks or years ought to be seriously examined."

Few other countries have as short a school year as 200 days. Elsewhere in the United States, he says, the three-month summer vacation is the exception.

Under plans now being discussed:

A school's student body would be divided about equally into four groups.

Each group would get a three-month vacation but the school itself would never close.

A typical "four-quarter" system might work like this:

"Group A—In school from November through July; on va-

Mull New Fire District, Lease An Idle Tract

The Board of Supervisors voted to lease a half-acre of surplus land at Edgemoor to Santee Fire Protection District for 20 years at \$10 a year. The site will be used for a fire hall.

The Board also said it would cooperate in a proposed three-way contract enabling a fire district for Grossmont - Mt. Helix area.

The Grossmont - Mt. Helix Improvement Association has suggested contracting with the county for fire protection, which the county would then secure on a contract basis from the State Forestry Department.

The state cannot contract directly with the district, so the Board was told.

Les Freeman, La Mesa City Clerk, active in getting annexations of contiguous areas in incorporated areas that join La Mesa boundaries, has been busy

in presenting the advantages of joining up with La Mesa, but says he has not as yet shown the "quality" on Grossmont and Mt. Helix that they would really save money by coming in to La Mesa.

The savings would be made in reduced electric rates, fire insurance premiums, garbage collections and sewers. The advantages of having a trained fire department at their disposal to fight and put out structural fires, (which the Forestry Department does not specialize in), and other advantages that La Mesa offers and delivers to its residents, are so evident to this reporter, who has lived on the eastern boundary of La Mesa, Incorporated, for 19 years, and glad of it, that it is hard to keep cool when talking to our near neighbors.

Les says the folks on the hills just don't want to come in, and

that settles it. He has it figured out in \$\$\$ and "sense". —D.H.

Briar Patch School Aid Plea Heeded

Word was received from Sacramento last week regarding the La Mesa-Spring Valley School District's application for State aid in connection with the Briar Patch School. As reported at the regular meeting of the Board of Education on February 25, the complete application for the new school was approved by the Local Allocation Board. Also approved was the District's request for authorization to ask the County Board of Supervisors to sell \$239,000 worth of local bonds, which would be sufficient to make the District eligible for State aid covering Briar Patch and the next new elementary school proposed.

Business Manager Fred Lance, who shepherded the application through its Sacramento analysis, reported that rapid action was taken by State agencies all along the line.

SV CHAMBER GROUP EYES INCORPORATION

(Continued) agency requesting that the Chamber back a movement to have public billboards set back considerably from the main arteries of traffic, that the beautiful scenery might be appreciated and that traffic might be safer.

Bill Doughman said that billboards are a big source of revenue for the state. After a few more remarks from Chamber members it was decided to table the issue until a later date.

Chet Smith Representative To Advisory Council

Chet Smith, Treasurer of the SV Chamber volunteered to act as representative to the La Mesa-Spring Valley Advisory Council, Bill Anderson, first vice president, is the new representative to the Grossmont Advisory Council.

Membership Committee Formed Mrs. Mary Clark, second vice-president, was appointed new membership chairman. She said she will form a committee of women to work on an all-out membership campaign.

Mrs. Clark urges all residents of this area to consider joining the Spring Valley Chamber of Commerce. While the Chamber does have a few merchants on its rolls, the organization is for the citizens of the area. The dues are only \$5 a year for the first application. The second one in the same family is just \$1, or a dollar for widows. The Chamber of Commerce owns its own building and grounds at 9050 Memory Lane. The building at various times has been called the "Community Center" but there has been some discussion about changing it to the Spring Valley Chamber of Commerce Building. Residents of the area do not pay taxes on the building as some people are prone to believe.

☆ No matter how much money men make, they always want to make more.

Bancroft Water Line Bid To Baxter

The M. J. Baxter Co. of El Cajon, was the lowest bidder for the construction of an 8-inch water line and installation of two fire hydrants in Tyler St. in Spring Valley. Baxter bid \$3,366.50. There were three other bidders for the work.

The distribution line is necessary to serve the new Bancroft School, which will be opened next month.

Byron Miller, general manager of the Irrigation District, said that the total project will cost \$8,068.37. The school district and Spring Valley Fire District will furnish \$6,835.00 and the irrigation district will finance the balance. It is unlawful for an irrigation district to pay for fire hydrants, Miller said.

The low bid was approximate estimate, he said.

☆ Use water wisely: don't waste it.

Couple Celebrates Golden Wedding Anniversary Here

Mr. and Mrs. Lawrence Lusitana of Lemon Grove were honored at a surprise dinner party at Bali Hai restaurant last week celebrating their 60th wedding anniversary.

Married in Sicily, Italy, Feb. 10, 1897, Mr. and Mrs. Lusitana came to America in 1902. They have lived in San Diego since 1948.

Before his retirement, Mr. Lusitana was active in insurance and real estate in Ridgefield Park, N. J.

The couple's five children are

John Lusitana of El Cajon, Leo of Spring Valley, Ray of Lemon Grove, Mrs. Anne Ferlazzo of La Mesa and Mrs. Edward Byrle of New Milford, N. J.

Five of their 11 grandchildren live in this area. They have nine great-grandchildren.

Hosts for the dinner party were Mr. and Mrs. Kenneth A. Devault. Mrs. Devault is one of the five grandchildren living in this area.

Our felicitations to Mr. and Mrs. Lusitana for their having had 60 years of ups and downs. Lemon Grove to spend their declining years surrounded by their children and grandchildren. D.H.

SV Firemen Lose Damage Actions

Keith E. Curtis and Lucius D. Lawton volunteer firemen of the Spring Valley Fire Protection District were denied damage by a Superior Court jury last week. Curtis had sought \$3,000 damages and Lawton \$7,500 recovery alleging that a new hose had burst while they were testing it. Suit had been brought against the hose manufacturer and the distributor.

REVEREND BUTCHER NAMED MUSIC CHAIRMAN

Rev. Orval Butcher, Lemon Grove Wesleyan Methodist Church minister is music chairman for the third annual Revival Prayer Conference being held Thursday and Friday this week at the College Center Covenant Church.

More than 350 ministers, evangelists, missionaries and lay church leaders are expected to attend one or more of these sessions.

—TOO LATE TO CLASSIFY—

NEW MEMBERS LISTED FOR LUTHERAN CHURCH

Observation of Lent began at the Lemon Grove Lutheran Church this week on Wednesday with a celebration of the Lord's Supper.

Services will be held each Wednesday at 7:30 p.m. until Holy Week.

At a service recently the following were received into membership of the Lutheran congregation:

Mr. and Mrs. Clifford Jorgensen and family.
Mrs. Camilla Jorgensen
Mr. and Mrs. Arne Royland and daughter.

Mrs. Lois Kerfoot
Mr. William Insko
Mr. Louis Huntington and Robert and Linda Gilsbert.

MONTEREY HEIGHTS-SAN MIGUEL P-TA TO BE CO- HOST AT MT. HELIX COUNCIL MEETING

A board meeting of the Monterey Heights P-TA is called for today, Thursday, at 1:30. Discussion will be the purchase of 2 caps and sweaters for the safeties.

P-TA will be co-hostesses with San Miguel at the Mt. Helix council meeting at 7:30 Wednesday in San Miguel's cafeteria. Dads will be specifically invited. Monterey Heights, in conjunction with other P-TA's, helped in the polio inoculation at Lemon Grove Junior High and will assist again on April 20th.

Over 4,000 persons received shots there on March 2nd.

Juniors' Musicale Goes On Tour; Tryouts Successful

The Lemon Grove Woman's Club Juniors have put their musicale on tour.

It was staged Monday for Lemon Grove Schools' Music Parents and for the Kiwanis on Wednesday. Every member of the Kiwanis was fined \$1 by its president Dr. Simon Brumbaugh for "not applauding loud enough" and this money goes into one of the charity projects. In April the show will become part of a Fashion Show event.

Mrs. Fred Cohenour won first place with her pastel at the Art Exhibit Sunday. Judges were Mrs. Pauline DeVul Rea and Floyd Copeland Chandler. Mrs. Alice Rainford judged the Floral arrangements. Presiding at the Tea Table were Mrs. Ralph Richardson, Senior Coordinator for the District, Mrs. Walter Shimp, Senior Coordinator for the Lemon Grove Club, and Mrs. Marie Howell, a member of the Seniors and mother of Mrs. Fred Cohenour. Hostesses were Mrs. Ralph Kraft, Mrs. Lawrence Sozzani, Mrs. George Telgan, Mrs. Bert Betts, and Mrs. Gene Johnson. Chairman for the event was Mrs. Mike Calderone.

A board meeting was held Tuesday at the home of Mrs. Lee Nottingham.

Regular business meeting will be held next Tuesday night, March 12th, at the Clubhouse.

The Juniors served coffee to the workers at the Polio clinic last Saturday. They still continue to send two members each day to the Children's hospital to wrap syringes and needles to be sterilized for all the mass inoculations. The Lemon Grove Club is the only club assisting the County Health Department, and all the members are now taking their second turn at the Hospital.

CHURCH PROJECT IS CAR WASH FOR \$1

The Senior High Westminister Fellowship of the Trinity Presbyterian Church have a car-wash project Saturday. Cars will be washed for \$1 between 9 a.m. and 4 p.m. at the church and proceeds will be used for sending young people to the annual Westminister Fellowship Convention in Los Angeles March 22nd, according to Mr. and Mrs. Thomas Scholder, advisor of the group.

Vista-La Mesa Little League Preps Season

The 1957 operational program for the Vista-La Mesa Little League baseball activities was approved last week by league directors. Under the schedule set up the league will begin functioning with practice sessions in April and the first half of May, with the schedule getting under way May 18.

This year's setup:
Registration for boys 8 to 12 (who will not be 13 before Aug. 1), March 9th from 10 a.m. to 1 p.m. Fee \$1.00 per boy.

* Tryouts for 12 year olds: March 16 - 10 to 11:30 a.m.; 10 and 11 year olds, March 16 - 1:30 p.m.; 8 and 9 year olds, March 16 - 3:5 p.m.; March 23 same time and age schedule; and Mar. 30 same time and age schedule.

To make a team a boy must attend 2 out of 3 tryouts. All activities will be on the Vista-La Mesa League Ball Park on King Street between Waite Drive and Hoffman Street for boys who live in the area bounded by University from Lois to the La Mesa city limits to Buena Vista to Broadway to College to Racine to Vista Grande to Celia Vista to 60th to Lois and back to University.

President Ed Lester announced these boundaries met the approval of this committee and the Rolando Little League after much discussion by both groups. Part of the area was formerly in the Rolando League. The application for a Little League franchise for Vista-La Mesa has been sent in.

The field committee reports the Ball Park has been graded and resurfaced, the framework for the bleachers and fences are in and materials are ready to build a new backstop this week-end. Only a scoreboard is needed to complete the field for play.

Mrs. A. H. Kruse reported a Womens Auxiliary has been formed and is planning an enchilada dinner March 15 from 5:30 to 7 p.m. at the Vista-La Mesa Christian Church.

LOCAL TEEN CLUB MAKES SV TREK

Members of the Student Council and the Teen Klub from the Lemon Grove Junior High visited the Spring Valley Junior High School last week in order to become acquainted with student government and student activities of that school. Approximately twenty students made the trip during the morning class hours.

Accompanying the students were Mrs. Evelyn Whalen, faculty sponsor of the Teen Klub, Richard Haynes, boys' counselor and sponsor of the Lemon Grove student council and Mrs. John Dail, parent chaperon.

The Spring Valley Junior High advisor, Richard Lance, welcomed the visiting students and took them to the auditorium where a general meeting was held. Following the joint meeting of the two student governments, Lemon Grove students enjoyed a tour of the Spring Valley School led by Mary Francis, student body president at the host school.

Plans are now being made for an exchange visit or activity by the Lemon Grove students. The Teen Klub, a leadership and service organization, is made up of forty two students from the seventh and eighth grades. The student council, composed of about thirty representatives, is an elected body.

ST. PHILIPS TO JOIN WORLD PRAYER

There will be a large delegation from St. Philip's for the services of the World Day of Prayer at the Skyline Wesleyan Methodist Church in Lomita Village on Friday, March 8 at 10 a.m.

On Monday March 11th at 7:30 p.m. the Evening Guild of St. Philip's will meet to organize and plan for programs at their meetings. Women who cannot attend meetings in the day time are especially invited.

36 IN CHOIRS AT BAPTIST CHURCH

The First Baptist Church of Lemon Grove now have their Youth Choirs underway with a membership of 36.

Each Monday evening at 6:00 p.m. the Juniors and Intermediates come for their Missionary Auxiliary meetings and Choir Rehearsals. Gilbert Jordan, Music Director states that the Youth Choir will present a full hour choir along with the Adult Easter Music program Sunday evening, April 14th in the Church Auditorium. The program entitled "Moments with Jesus" will feature some 54 Choir members.

DR. YANCHUL BUYS PRACTICE FROM DR. WEEGE

Dr. Stanley Yanchul, a Los Angeles chiropractor, has purchased the practice and offices of Dr. Frank Weege, 3458 Main Street.

Dr. Yanchul is remodeling and redecorating the office building and plans to be in operation by middle of the month. Dr. Weege who has been practicing locally for ten years, is retiring to his ranch in Deer Horn Valley.

Dr. Yanchul, his wife and 9 year old son, have taken up residence at 3298 Buena Vista. He was born in Massachusetts, spent 22 years in the medical department of the Navy before settling in California. A graduate of the Hollywood Chiropractic College in Los Angeles, he is affiliated with Delta Phi Psi fraternity and served as treasurer for two years. He is also a member of the Elks and the Fleet Reserve Association of retired naval personnel.

CHOOSE EVERLASTING LIFE OR DEATH SAYS JEHOVAH WITNESS SPEAKER

"Heeding God's warning Armageddon will mean everlasting life! Disregarding God's warning, everlasting death!" concluded Chas. W. Rieger of New York City at Bing Crosby Hall, Del Mar, Sunday. Included in the audience of more than 2168 Jehovah's witnesses was Mr. and Mrs. Edgar A. Flinn of Lemon Grove who attended the assembly.

Reading from the Bible, Rieger showed exactly what Armageddon will be, the description of the opposing sides and told those present everyone will be involved including children.

Mrs. Lucile Casey New Owner Of Lemon Grove Pet Shop

Mrs. Lucille Casey, 2610 Sherri Lane, Lemon Grove, has purchased the stock, fixtures and goodwill of the Lemon Grove Pet Shop, 8303 Broadway.

Mrs. Casey, familiar as a long time employee of the Dutch Cleaners, has already assumed management of the store.

SORORITY TO HEAR PROGRAM ON CYSTIC FIBROSIS

Theta Omicron Chapter of Beta Sigma Phi Sorority meets at the home of Mrs. Thomas Best of 2317 Edgerton Drive, March 7th. Mrs. Gerald Bridwater, chapter president, will report on the Cystic Fibrosis Fund, the welfare project of Beta Sigma Phi.

Bill Steils, Sandra Sutherland, Tad Thompson, Caroline Wardell, Grace Weaver, Terri Williams.

Joanna Williamsen, Dick Wittman, and Suea Yeager.

HELIX CAGERS FALL BEFORE HOOVER JINX

First it was a baseball defeat last year and also a football loss in the Fall, so by letting tradition rule supreme it is now a basketball setback. What I'm talking about is obvious to the frustrated followers of Helix High's athletic machines as they are making it an embarrassing habit to falter when they play ball with Hoover High School of the City prep league. Last Friday night was no exception as the fightin' (?) Highlanders were dispelled in the second round of the SCIF basketball playoffs, 51-44 in neutral Pt. Loma gym.

The battleground was impartial, the victories had been split in pre-season tilts and the stage was set for the curtain to fall on Helix. In last year's baseball game it was better defensive work and superior pitching. In football it was a tougher line and in the hoop sport it was the comparatively easy motions of running around, over and through Helix's weak defense. In other words it was the defense that brought the Metro league co-champs their downfall.

High scorer for Helix was reserve guard John Wible with 13 followed by closely guarded Gael Barsotti with 10. Now that we have lost around the clock I'm anxious to see what happens this year when I predict Helix and Hoover to tangle horns in the SCIF basketball playoffs again. I'm just wondering how much longer the La Mesans will be subjected to humiliation via a continual defeat by Hoover. If this keeps up it will turn into a boring "ho hum" routine to be painfully absorbed as an expected antic.

OSBORNE POTENT GROANER

Spring Valley's Jim Osborne was the major contribution for Helix High School's 13th place tie with El Cajon last week in Whittier's annual SCIF wrestling championship meet.

Osborne took second place behind San Diego's Gary Becker in the 175-pound class. Winner for the second consecutive year was Kearny with 57 points, followed by local teams of San Diego (third), 46; Helix and El Cajon, 9; and Lincoln (16) with six points.

Male Section Of Helix P-TA Draws Praise

In appreciation of the men in the Parent-Teacher Association family, an evening meeting of Mt. Helix P-TA was scheduled for Wednesday, March 13th, at 7:30 p.m. in the San Miguel Cafeteria, 7059 San Miguel Avenue, Lemon Grove.

102 men are currently holding offices and chairmanships in the 14 schools of which the council is comprised. Dr. Wayne Hill and William Poirier are serving as presidents of Northmount and Fletcher Hills Parent-Teacher Associations, respectively.

The Vista-La Mesa P-TA Barber Shop Quartet entertained the group. Another highlight of the evening was the Square Dance Skit from the Golden Avenue P-TA under the supervision of Byron Netley.

Mrs. H. K. Thuralund, Ninth District membership chairman and Council member presented Honorary Life Memberships in the California Congress of Parents and Teachers to two people who gave untiringly of their time and talents for the welfare of youth.

Buzz sessions were chairmaned by men of the 14 units. Some topics discussed were "Discipline in Our Schools," "Are Junior and His Friends Welcome at Home?" and "How Do We Get and Keep Good Teachers?"

Hostess units were Monterey Heights, Northmount and San Miguel P-TA.

On The

SIDELINES

with

Bob Turnbull

Helix in Track Relays

Helix's track and field unit is readying their show of muscle at the South Bay Relays held at Sweetwater High School, Mar. 16. Competing schools include defending champ El Cajon, Grossmont, Coronado, Chula Vista, Sweetwater, Pt. Loma, and Mar Vista. ... According to Grossmont track coach Jack Mashin, unless the U.S. revamps their present national athletic setup we shall never again defeat Russia in the Olympics.

Grove Youth Smashes Record

Lemon Grove's Gael Barsotti, tri-year Helix High center, has personally accounted for 903 points in his three year varsity warfare, breaking the old record by several points. ... In the final tabulation of the Metro leagues top scorers, out of the top 17 basketballers Helix placed second (Barsotti), ninth (Ron Mulder), tenth (John Drumm), twelfth (Jerry Golna), fifteenth (John Cook) and seventeenth (John Wible). ... USD's varsity quintet has on tap next year, Cal Poly of San Luis Obispo, Santa Barbara, University of San Francisco, Santa Clara, St. Mary's and San Francisco State. ... State College's sensational forward, Tony Perkins, was once a San Diego JC forward sensation.

Grunion Sprint Twice

The rainy month of March will feature two grunion runs. Lasting four days at a time, with the second and third nights the best, the runs will occur the fourth thru seventh, and 17th to 20th. It will be illegal to snag the squirmy egg-layers after that until June 1. ... Lake Menahewa, renowned crapple fishin' grounds, will open its waters to the general public at 6:30 p.m. on Wednesday, March 6. Boat reservations can be made by calling Henshaw 1 betwixt 8 a.m. and 5 p.m. daily. ... The newest in fishin' fads is to take bass on carp meat in the Colorado River. Worms catch carp and after carp is chopped up in small pieces, he's ready for battle.

Sports Roundup

Tijuana Country Club's golf course green's have been rartified and sanded and are in top condition. ... NTC will play 33 baseball contests. ... The City Prep leagues opening games featured a no-hit, no-run affair. ... The well-known San Diego dragging club, Bean Bandits, have installed six carburetors on a U-Fab log manifold for their competition coupe. ... San Vicente Lake should be open in a week. ... The Padres have broken ground on their new diamond in Mission Valley. ... Former Helix and SDJC fullback Karl Jordan will pack the pigskin for State College in the Fall. ... and then there is the one about He stroked his wobbly cue with all the power he was able, and sank the number seven ball on each adjacent table.
